Touristic Fields in Agia Napa, Famagusta

€4,500,000

Ayia Napa, Famagusta

Development land spanning 13,542 square meters in Ayia Napa offers significant opportunity for a substantial hospitality or residential project. The plot commands sea views and benefits from direct proximity to the highway, ensuring accessibility for guests and commercial operations alike.

The land sits within easy reach of local amenities that serve the area's tourism sector. Ayia Napa is a resort town on the southeastern coast, built primarily of apartments and low-rise hotels. Restaurants, bars, and beaches define the settlement. The nearest airport is Larnaca, around 45 minutes by road.
