Residential building in Aglantzia, Nicosia

€1,850,000

 Aglantzia, Nicosia

For sale is a modern, fully furnished apartment building in the sought-after area of Aglantzia. This impressive resale property was fully renovated in 2022, combining contemporary finishes with practical design. With an internal space of generous size, the building features 16 spacious bedrooms, making it ideal for investment or large housing needs.

The property sits on a large plot, offering extra space for parking and outdoor enjoyment. Inside, each apartment is tastefully furnished, providing comfort and convenience for all residents. An elevator ensures easy access to every floor, adding to the building's modern appeal.

Aglantzia is well known for its vibrant atmosphere, beautiful parks, and a variety of shops, cafes, and essential services nearby. The area is popular with families, students, and professionals, thanks to its excellent schools, trendy eateries, and quick access to public transport.

This is a rare opportunity to own a stylish apartment building in a rapidly developing area, where demand for quality housing remains high.
