

#12539

Apartment in Strovolos, Nicosia

€215,000 +VAT

 Strovolos, Nicosia

The development is characterized by a simple and functional design, combined with elegance and aesthetics. It consists of 9 spacious apartments with large verandas, always arranged by the many years of experience of the company and our partners.

It is worth noting that the project will be energy efficient A. The location of the project is ideal, since it is part of a quiet area, with direct access to services and government buildings.
