Ypsonas, Limassol

The project is designed to offer an unparalleled level of comfort and convenience. Situated in the well-developed district of West Limassol, it ensures residents can fully embrace the Mediterranean lifestyle.

Spanning an area of 10,000 m^2, the development features five apartment buildings within a secure, guarded complex. The site includes recreational areas for both work and leisure, such as children's playgrounds and barbecue stations.

The architectural design and modern facades seamlessly integrate with the dynamic city environment. The light-
