Six fields in Sotira, Limassol

€910,000

Sotira, Limassol

Sotira land consist of 6 separate title deeds of plots totaling 182,297 m2. Land is classified as agricultural land and is located on a hill with two rivers running on each side during the winter. The two rivers join each other at the bottom of the plots and then lead to a dam just 200 meters below. Plot has some olive and carob trees in it. The residential boundaries of the village of Sotira are only 300 meters away and the land will have a huge price increase in the future, once the residential boundaries are expanded and the zone for the plots changes from agricultural to residential. Eagle Pine Golf resort by Aristo developers which has all the permits and requires an investor to begin construction is only 3,3 KM away.
