Field in Aradippou, Larnaca

€270,000 +VAT

 Aradippou, Larnaca

This field in Aradippou offers a substantial parcel of land within the Larnaca District. The plot sits close to the highway, providing direct road access, and lies within reach of the amenities that serve the surrounding area.

Aradippou is a town in the Larnaca District of Cyprus, adjoining the city of Larnaca. It has grown from a traditional village center into a larger town, with newer development along its outskirts, and it sits inland, away from the coastal strip that runs along the south of the district.

Arazo Estates welcomes inquiries on the plot and can arrange a viewing.
