Residential Land in Pissouri, Limassol

€330,000

 Pissouri, Limassol

A plot of 6,663 square meters is for sale in Pissouri, Cyprus. The land opens onto a mountain view and sits close to the highway, giving the site straightforward access for a parcel of this size.

The plot is currently a field, offered as a single, large expanse of land rather than a developed lot. Its size gives a buyer room to plan without the constraints of a smaller parcel, and the proximity to the highway means the site is not tucked away from the road network.

Pissouri is a village in the Limassol District of Cyprus, set on a hillside inland from Pissouri Bay on the south coast,
