

#13525

Touristic Field (Share) in Agia Napa, Famagusta

€500,000

 Ayia Napa, Famagusta

Development land spanning 4,173 square meters in Ayia Napa offers significant potential for commercial or residential projects. The plot holds sea views and sits near major highway access, positioning it conveniently for connectivity while maintaining proximity to the town's established amenities.

Ayia Napa is a coastal resort town built primarily around tourism and leisure. Restaurants, shops, and beaches serve both residents and visitors. The built environment consists mostly of low-rise apartments and villas, with density concentrated near the waterfront.
