Building Plot in Agios Tychon, Limassol

€1,430,000 ^{+VAT}

 Agios Tychon, Limassol

A two-thousand-square-meter building plot in Agios Tychon offers substantial space for residential development. The site benefits from direct highway access and sits within reach of local amenities, with mountain views across the landscape.

The plot's size and positioning make it well-suited for a range of construction scenarios, from a substantial single residence to multiple units. Highway proximity provides straightforward vehicular access, while the established amenities in the surrounding area support day-to-day living.
