Residential Building Plot in Agia Varvara, Nicosia

€165,000 +VAT

 Agia Varvara, Nicosia

This residential building plot in Agia Varvara provides generous ground for a custom residential build.

Agia Varvara sits south of Nicosia, positioned along the A1 motorway corridor. The village contains daily necessities including food markets, bakeries, pharmacies, and local tavernas. Low-rise detached houses make up the surrounding neighborhood, with central Nicosia located around 20 minutes away by road.
