Industrial Development Land in Zakaki, Limassol

€5,300,000 +VAT

 Zakaki, Limassol

This industrial development site in Zakaki provides substantial scale for commercial construction.

Designated for industrial use, the plot provides a expansive footprint suited for manufacturing, warehousing, or distribution facilities with immediate access to the highway network.

Zakaki forms a western district of Limassol, functioning as a primary commercial and freight sector. The area is structured around the New Port of Limassol and carries an established base of warehouses, logistics depots, and low-rise commercial buildings. Trade suppliers, banking branches, and everyday retail services operate throughout the district.

Contact Arazo Estates to discuss acquisition details or schedule a site visit.
