Agricultural Plot in Tochni, Larnaca

€68,000

Tochni, Larnaca

Nestled in the picturesque countryside of Tochni, this spacious 725 m2 agricultural field presents a distinctive land opportunity in Cyprus.

Offering a generous and open layout, this sizable parcel delivers versatile possibilities for agricultural pursuits, cultivation, or creating a private rural sanctuary. The land allows you to fully embrace the region's soothing climate and scenic backdrop, perfectly balancing peaceful outdoor seclusion with convenient proximity to nearby village amenities.

Characterized by its traditional stone-built houses, scenic hillsides, and welcoming community feel, Tochni is celebrated for its authentic island charm. Positioned in the Larnaca district, it provides a quiet escape from busier urban centers while keeping key transport links easily accessible for day-to-day needs.

Whether you are looking to expand your agricultural interests or secure an attractive countryside holding, this plot offers superb versatility.
