Spacious Residential Plot in Alaminos, Larnaca €110,000 +VAT

 Alaminos, Larnaca

Offering a wonderful opportunity to build your vision from the ground up, this generous 524 m² residential plot is ideally situated in the peaceful village environment of Alaminos. This large parcel presents an inviting setting for anyone seeking to create a custom sanctuary tailored to their individual lifestyle.

The land offers a versatile, well-proportioned canvas that easily accommodates a spacious private residence alongside outdoor entertaining areas, a swimming pool, or landscaped gardens. It stands as an ideal choice for buyers looking to step away from dense urban centers and craft a home uniquely suited to their family's needs.

Set in the charming community of Alaminos, the area offers a relaxed village atmosphere combined with convenient connectivity across the Larnaca district. Residents enjoy scenic surroundings and tranquil daily living, all while remaining within comfortable driving distance of coastal spots, everyday services, and regional transit routes.

Take the first step toward turning your architectural plans into reality by contacting Arazo Estates today for further details.
