Prime Residential Building Plot in Avgorou

€135,000

Avgorou, Famagusta

Set in the traditional community of Avgorou, this 1115 m2 residential building plot presents an appealing opportunity to design and build a bespoke home in an authentic Cypriot setting. The parcel provides an inviting blank canvas for buyers seeking a tailored lifestyle in a tranquil neighborhood.

Enjoying pleasant village views, the property offers an inspiring backdrop for your custom architectural plans. The manageable scale makes it a practical option for a modern private residence, allowing you to maximize indoor and outdoor living areas while taking full advantage of the open, relaxed surroundings.

Avgorou is well known for its peaceful, friendly atmosphere, offering a welcoming escape from busier coastal hubs while keeping everyday necessities close at hand. The plot is situated conveniently near local amenities, ensuring grocery stores, neighborhood bakeries, and traditional tavernas are always within easy reach.

Whether you are looking to build a comfortable permanent residence or a quiet village retreat, this site offers an exceptional foundation for your vision. Contact Arazo Estates today to arrange a site visit and explore the possibilities
