Modern 2-Bed Ground Floor Apartment

€307,500

 Kapparis, Famagusta

Bright, modern, and thoughtfully planned, this ground-floor apartment in Kapparis offers 77 m² of sleek living space within an impressive 2026 build. Designed for effortless comfort, this property makes an inviting retreat for couples, small families, or holidaymakers seeking single-level convenience in a relaxed coastal setting.

The interior features a fluid layout connecting the central living space with two restful bedrooms and a stylish modern bathroom. Delivered unfurnished, the home invites you to personalize every room to reflect your own taste. Outside, the shared grounds provide an ideal setting to soak up the Mediterranean sunshine beside the communal swimming pool.
