Large Residential Field in Kornos

€145,000 +VAT

 Kornos, Larnaca

Offering an expansive 4850 m² of residential land, this substantial field in peaceful Kornos presents an exceptional canvas for your bespoke home or a private estate. With 50 % coverage factor and 90 % building density, the generous grounds deliver an abundance of space, tranquility, and natural light in a welcoming setting.

With its impressive scale, the parcel easily accommodates ambitious architectural concepts, providing ample room for extensive landscaped gardens, private leisure zones, and generous outdoor entertaining terraces. It stands ready for anyone seeking to create a tranquil retreat tailored to modern living requirements while embracing the open, picturesque charm of Cyprus.
