#13869

Scenic Kalavasos Residential Field

€350,000

Kalavasos, Larnaca

Residential plot for sale in Kalavasos, offering beautiful mountain and sea views. The plot benefits from available utilities and access via a tarmac road. Located in H3 residential zone, it has a building density of 60% and a coverage ratio of 35%, making it an excellent opportunity to build your dream home or invest in a desirable location in Cyprus.

Offering an inspiring blank canvas, the spacious land easily accommodates creative architectural plans, expansive private gardens, and welcoming outdoor entertainment areas. Its scale and peaceful setting make it an ideal choice for buyers seeking privacy and room to build a bespoke home surrounded by serene rural scenery.
