

Residential Field in Frenaros

€141,000 +VAT

Frenaros, Famagusta

A residential field located in the community of Frenaros, in the Famagusta District, approximately 750 metres north of the road connecting Frenaros and Vrysoulles and approximately 4 kilometres northwest of the community centre. The field falls within Residential Planning Zone H3, which allows for a building density of 60% and a maximum building coverage of 35%.

With such generous dimensions, the land invites a range of exciting possibilities, whether you envision developing contemporary residences or crafting a private countryside estate surrounded by lush gardens and outdoor entertaining areas. Its open surroundings capture abundant Mediterranean sunshine throughout the day, providing
