

#13895

Spacious 2-Bedroom Home in Egkomi

€275,000

 Egkomi, Nicosia

Generous proportions and exceptional potential define this bright two-bedroom residence in the sought-after neighborhood of Egkomi. Offering an impressive 142 m² of internal living space, this resale home presents a rare opportunity for buyers seeking expansive room dimensions and the freedom to craft their dream interior.

The layout welcomes you into substantial living and dining zones that provide plenty of room for both relaxing and hosting friends. Both bedrooms are well proportioned, benefiting from natural light and served by a central bathroom. Offered unfurnished, the property acts as a blank canvas, allowing you to tailor every finish, color scheme, and furniture choice to your personal lifestyle.
