

Residential Building in Agios Tychon

€1,100,000

Agios Tychon, Limassol

An excellent investment opportunity to acquire an entire residential apartment building comprising five apartments, ideally situated in the heart of Agios Tychonas village, Limassol, directly opposite Agios Tychonas Church. Built in 2009, this well-maintained residential block offers a combination of one-, two- and three-bedroom apartments, making it an attractive investment for those seeking a versatile income-generating property.

The building is arranged over three floors, with the ground floor providing dedicated covered parking spaces and individual storage rooms for each apartment. Access to the upper floors is provided via an external staircase and lift. The first floor comprises three apartments, including two two-bedroom units and one one-bedroom unit, while
