

#1814

 Sotira, Famagusta

**€135,000**

This complex is situated between the villages of Sotira and Frenaros, an almost central location to the surrounding villages and towns of the East Coast. The development consist of both apartments and villas many of which have spacious verandas and residents will enjoy the use of a large communal swimming pool and tennis court. Careful attention has been given in designing the properties, to provide maximum comfort. The external stonework finish that has been incorporated into the properties reflects the style of the surrounding area and adds character to the development. Local amenities are all within easy reach.

The apartment features a spacious open plan living room with a dining area, a fully equipped fitted kitchen, one bedroom with fitted wardrobes and a family bathroom. Sliding doors connect the living room with the veranda which
