Mix-Used Building for Sale , Limassol

€11,000,000

📍 Agia Fyla, Limassol

This new project will consist of two connecting office buildings and a commercial plaza with retail stores, coffee houses and restaurants, which will be an ideal destination of gathering and socializing.

This development is another project that responds to the high demand of top-quality office centers in Limassol. The company has already completed three giant development projects in the commercial segment, the magnificent Sapphire Business Center, the ultra-modern Nereus Tower and the premium Avenue 15 Office Center. The two-building City Space and the landmark Unit tower on Makarios Avenue are currently under construction. Both in-progress office centers are found in the premium business location in the heart of Limassol.
